### Section 1: Introduction

This Annual Governance Statement provides an overview of how the North East Combined Authority's governance arrangements operate, including how they are reviewed annually to ensure they remain effective.

### Section 2: Scope Of Responsibility

The North East Combined Authority (NECA) was established in April 2014 and brought together the seven councils which serve Durham, Gateshead, Newcastle, North Tyneside, Northumberland, South Tyneside and Sunderland.

Following the establishment of a North of Tyne Mayoral Combined Authority (NTCA), On 2 November 2018 the boundaries of NECA were changed. As a result of these governance changes the boundaries of NECA now cover the Local Authorities of Durham, Gateshead, South Tyneside and Sunderland.

NECA and the NTCA continue to work together on a number of areas to support the region, including transport. To oversee strategic transport functions a new North East Joint Transport Committee has been established with members from both Combined Authorities. All seven Local Authorities will remain members of the North East Local Enterprise Partnership to

deliver the objectives of the regions Strategic Economic Plan, which is the North East's plan for growing and developing a more productive, inclusive and sustainable regional economy.

NECA is responsible for ensuring that its business is conducted in accordance with the law and proper standards. It is also responsible for ensuring that public money is safeguarded, properly accounted for and used economically, efficiently and effectively. The Authority also has a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised.

In discharging this overall responsibility, the Authority's Leadership Board and Statutory Officers are responsible for putting in place proper arrangements (known as a Governance Framework) for:

- (i) the governance of our affairs and
- (ii) facilitating the effective exercise of our functions, including arrangements for the management of risk

In relation to (ii) the Authority has put in place a system of internal control designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness.

The system of internal control is based on an ongoing process designed to:

- a) identify and prioritise the risks to the achievement of our aims and objectives; and
- b) evaluate the likelihood of those risks being realised, the impact should they be realised, and to manage them efficiently, effectively and economically.

The Combined Authority has developed a Risk Management Strategy and Strategic Risk Register, which is reported to regular meetings of the Authority's Audit and Standards Committee. This information can be found under the [Audit and Standards Committee on the Authority's web-site.](#)

### **Section 3: Purpose Of The Governance Framework**

In addition to the above the Authority's Governance Framework comprises the systems, processes, culture, values and activities through which we are directed and controlled and through which we account to, engage with, creating the conditions of economic growth and investment. It enables us to monitor the achievement of the Authority's objectives and to consider whether those objectives have led to the delivery of appropriate services which represent value for money.

The Governance Framework has been in place for the year ended 31 March 2022 and up to the date of approval of the Authority's Annual Report and Accounts.

This Annual Governance Statement meets the requirements of the Accounts and Audit Regulations 2015 (Amended 2020) (6) (1) to conduct a review of the effectiveness of the

system of internal controls required by Regulation 3 and prepare an Annual Governance Statement.

## Section 4: The Governance Framework

The core principles and outcomes of our Governance framework are set out below and through these we will aim to provide strong governance to achieve our objectives:

### 1. Ensuring openness and comprehensive stakeholder engagement

1.1 We ensure that we are clear on delivering the objectives of the Combined Authority and intended outcomes of our [Strategic Economic Plan, January 2019](#), to create the best possible conditions for growing and developing a more productive, inclusive and sustainable regional economy.

1.2 We ensure we assess and review our vision and the implications for our governance arrangements through the budget and performance management framework.

1.3 Meetings, agendas and minutes are accessible via [NECA's website](#). A Forward Plan is available which contains matters which are expected to be the subject of key decisions taken by the Leadership Board. All meetings are held in public (other than where consideration of confidential or exempt information)

1.4 Following the COVID 19 pandemic all meetings have been held in person during 2021/22.

1.5 We publish a register of key decisions to notify the public of the most significant decisions it is due to take. Details of each decision are included on the [Forward Plan](#) 28 days before the report is considered and any decision is taken. This allows an opportunity for people to find out about major decisions that the Combined Authority is planning to take.

1.6 Our [Freedom of Information Scheme](#) is published on our website.

1.7 The Authority maintains a list of significant partners which set out the purpose of the partnerships, link officers and review dates.

1.8 Transport is of strategic importance to the North East and together with the North of Tyne Mayoral Combined Authority a [North East Joint Transport Committee](#) is in place bringing together members from both Combined Authorities, allowing effective decision making across the region to ensure that the local needs and transport priorities are delivered.

### 2. Developing the entity's capacity, including the capability of its leadership and the individuals within it

2.1 We have defined and documented in our [Constitution](#) the roles and responsibilities of the Board, Scrutiny and 'proper' officer functions (Head of Paid Service, Monitoring Officer, Chief Finance Officer), with clear delegation arrangements and protocols for effective communication. The collective and individual roles and responsibilities of the Leadership Board, Members and Officers have been agreed by the Combined Authority.

2.2 We identify and aim to address the development needs of members and officers in relation to their strategic roles, and support these with appropriate training.

### 3. Behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law

3.1 We review and update our standing orders, standing financial instructions, scheme of delegation and supporting procedure notes/manuals – these clearly define how decisions are taken and the processes and controls required to manage risks. We ensure compliance with relevant laws and regulations, internal policies and procedures, and that expenditure is lawful. The Monitoring Officer advises on compliance with our policy framework, ensuring that decision making is lawful, fair and ethical. Our financial management arrangements conform to the CIPFA Statement on the Role of the Chief Finance Officer and are the responsibility of the Chief Finance Officer.

3.2 We develop, communicate and embed codes of conduct set out in the Constitution, defining standards of behaviour for Members and Officers working on behalf of the Authority. Audit and Standards Committee deals with issues of conduct and generally promotes high standards among officers and members, reporting annually to Leadership Board. The [Constitution is available on the NECA website](#).

3.3 We ensure that there are effective arrangements for “Whistle-blowing” and for receiving and investigating complaints from the public. Administration of the Authority’s policies on anti-fraud and corruption is undertaken by Internal Audit. [Whistleblowing policy and procedure is at Part 6.5 of our Constitution](#)

3.4 A [Deed of Cooperation](#) was made on the 4 July 2018 between the seven Constituent Authorities in the area that outlines a framework for collaborative working across the region.

3.5 A register of Members’ interests (including gifts and hospitality) is also maintained.

### 4. Determining the interventions necessary to optimise the achievement of the intended outcomes

4.1 Our scrutiny arrangements enhance accountability and transparency of decision making, The Overview and Scrutiny Call-in Sub Committee acts in accordance with the principles of decision making as set out in our Constitution (Part 13.3) and will call-in decisions where there is evidence which suggests that the decision was not taken in accordance with the principles.

4.2 The Authority’s procurement procedures are carried out in line with financial regulations set out in Part 5 of the Constitution through Service Level Agreements.

4.3 The [Accounts and Transparency](#) page of our website contains the most recent accounts of the North East Combined Authority, and includes monthly spending reports, procurement procedures, lists and registers.

## 5. Managing risks and performance through robust internal control and strong public financial management

5.1 Our Risk Management Policy and Strategy outlines our arrangements for managing risk. Risk management is an integral part of our decision-making processes. To inform decision making all committee reports include a section which highlights the key risks to the decisions or proposed recommendations and how they are being addressed.

5.2 We have an information governance strategy and framework in place to ensure the effective safeguarding, collection, storage and sharing of the Authority's data. A Data Protection Officer has been appointed to oversee the data protection strategy and its implementation to ensure compliance with the General Data Protection Regulations.

5.3 We have arrangements in place to manage significant change evidenced by the establishment of the Combined Authorities Reconfiguration Programme to oversee the implementation of the governance arrangements for NECA following its split with the North of Tyne Authorities.

5.4 The control and financial management arrangements are reviewed by Internal and External Audit throughout the year. The outcome for 2021/22 are noted in Section 5 of this Statement - Annual Review of Effectiveness of Governance Framework.

5.5 The Authority has a robust internal control process in place which supports the achievement of its objectives while managing risks. The Audit and Standards Committee acts as principle advisory committee to NECA, providing independent assurance on the adequacy of the risk management framework and internal control environment.

5.6 An assessment of the overall adequacy and effectiveness of the framework of governance, risk management and control is provided by the Authority's internal auditors. The chief internal auditor will provide an annual opinion for 2021/22 to support this AGS.

## 6. Defining outcomes in terms of sustainable economic social and environmental benefits

6.1 The North East LEP works with its partners to produce and deliver the Strategic Economic Plan (SEP). The SEP was updated January 2019 at a time of significant change for the global and national economy. New opportunities in technology and areas such as ageing, and the management of climate risks provide potential for economic growth.

6.2 We incorporate good governance arrangements in our partnerships and reflect these in our overall governance arrangements.

## 7. Implementing good practices to transparency, reporting and audit to deliver effective accountability

7.1 Section 5 of this Annual Governance Statement provides the views of our internal and external auditors. Auditors report regularly to Audit and Standards Committee and provide their annual opinion on the adequacy and effectiveness of our governance, risk and control framework.

7.2 We publish details of [delegated decisions on our website](#).

7.3 We ensure that our Audit and Standards Committee undertakes the core functions identified in CIPFA's Audit Committees – Practical Guidance for Local Authorities 2018.

## Section 5: Annual Review Of Effectiveness Of Governance Framework

We have a legal responsibility to conduct an annual review of the effectiveness of our governance framework, including the system of internal control. The review is led by Officers and Members of Audit and Standards Committee who provide independence and challenge. The outcomes of the review will be reported to the Audit and Standards Committee.

The review is informed by:

- (a) The views of our internal auditors, reported to Audit and Standards Committee through regular progress reports, and the Annual Internal Audit Opinion. The Annual Internal Audit Opinion for 2021/22 is that the authority has good control arrangements in place. The internal Audit service complies with the CIPFA Statement on the Role of the Head of Internal Audit (2010) and the Public Sector Internal Audit Standards. The service receives a regular independent review against these standards, the last being in December 2018 which concluded:  
  
'We conclude that the IA is compliant with the requirements of the PSIAS and the CIPFA Application Note.'
- (b) An annual review of the effectiveness of internal audit (as required by Public Sector Internal Audit Standards).
- (c) The views of our external auditors, reported to Audit and Standards Committee through regular progress reports, the Annual Audit Letter and Annual Completion Report.
- (d) The activities and operations of the themes (economic development and regeneration, employability & inclusion, and transport & digital connectivity) and significant partnerships through written assurance statements.
- (e) The views of the Authority's Monitoring Officer, Chief Finance Officer and Senior Information Risk Owner, through written statements (Appendix 2 of the Annual Governance Review 2021/22 Report).
- (f) The views of Members through the ongoing activities of Audit and Standards Committee (providing independent assurance on the effectiveness of the governance and internal control environment). And an Overview and Scrutiny Committee who review and scrutinise Leadership Board decisions as well as other Transport committee's decisions.

- (g) The Risk Management process, particularly the Strategic Risk Register.
- (h) Performance information which is reported to Leadership Board and other meetings on a regular basis.
- (i) The assurance framework that is in place to ensure Local Growth Fund monies are subject to appropriate levels of internal control and are focussed on the delivery of the Combined Authority's objectives and delivery of the Strategic Economic Plan.
- (j) An Assurance Statement from Nexus has been obtained and is attached at Appendix 4 of the Annual Governance Statement 2021/22 Report. The opinion of the Nexus Chief Internal Auditor for 2021/22 is "*The opinion of the Chief Internal Auditor (Nexus), based on the internal audit work undertaken in year, is that there is an adequate and effective framework of governance, risk management and control.*"

## **Section 6: North East Joint Transport Committee and North of Tyne Combined Authority**

The North East Combined Authority's decision not to proceed with a Mayoral Combined Authority in September 2016 and the withdrawal of the devolution deal has resulted in the seven local authorities that made up a single Combined Authority splitting and forming two combined authorities. This change happened on 2 November 2018. NECA now constitutes the four Local Authority areas south of the River Tyne. The North of Tyne Mayoral Combined Authority now constitutes the three Local Authority's north of the River Tyne, Newcastle, North Tyneside and Northumberland.

Regional transport remains to operate and be governed at the seven Local Authority geography through a newly formed North East Joint Transport Committee, bringing together the two Combined Authorities which allows effective decision-making across the region to ensure that the local needs and transport priorities are delivered.

NECA as accountable body for the Joint Transport Committee and the functions delegated to it, are responsible for overseeing the legal and financial management of all regional transport resources, recognising that the assets are, in many cases jointly owned by the two Combined Authorities. NECA will also host the Transport Strategic Unit (formerly named the Regional Transport Team), including the Proper Officer for Transport.

## **Section 7: Significant Weaknesses In Governance and Internal Control**

The system of governance (including the system of internal control) can provide only reasonable and not absolute assurance that assets are safeguarded, that transactions are authorised and properly recorded, that material errors or irregularities are either prevented or would be detected within a timely period, that value for money is being secured and that significant risks impacting on the achievement of our objectives have been mitigated.

The review highlighted no significant weaknesses in governance or internal control during 2021/22.

## Section 8: Conclusion

We consider the governance and internal control environment operating during 2021/22 to provide reasonable and objective assurance that any significant risks impacting on the achievement of our principal objectives will be identified and actions taken to avoid or mitigate their impact.

Systems are in place to continually review and improve the governance and internal control environment. Mid-year checks are undertaken to provide assurance that improvements are being implemented and that the assessment is improving.

The annual review has shown that the arrangements for 2021/22 are in place and operating as planned.

We have been advised on the implications of the review by the Audit and Standards Committee and propose over the coming year to continue to improve our governance and internal control arrangements.
